## a bit about our products...

**THE BREAD:** Our rye & Tuscan breads come from the Farrell family organic bakery right here in Tulsa. They are a small artisan bread bakery in the old European tradition. They purchase only the finest organic flour & ingredients, & ferment their bread overnight for maximum flavor. Bread prepared this way is excellent nutritionally, outstanding in flavor, & wonderfully satisfying.

**THE COFFEE:** Our Dilly Deli house coffee is a special blend prepared for us locally by Topéca Coffee Company. Topéca is a family owned seed-to-cup coffee company. This means they control their coffee beans from the moment they're planted in El Salvador to the time they are roasted right here in Tulsa.

**THE MEAT:** Our turkey & chicken are all natural meats. No funny ingredients you can't pronounce. No preservatives, artificial ingredients or MSG. No nitrites or nitrates added. Did we mention it's gluten free? 100% natural, fresh & flavorful, the way meat is supposed to taste: simply delicious.
